Great young bull sired by the beautiful BL Rio Cancan and out of WS Vindicator. It's no wonder he's black! I've been told that we have to wait for Vindicator sons to fill out, they're slow growing. He just turned 3 and we're seeing the muscle development and some more depth in his body now. We're happy with the calves we're getting out of him

**Total Horn:** 84.5000 on 04/13/2023  
**TTT:** 70.5000 on 04/13/2023  
**Composite:** 155.0000 on 04/13/2023
