Tumbling Bandita BCB is by far one of the most beautiful and complete cows Bolen Longhorns has ever raised. 85" tip to tip and 104 3/4" of total horn gives her as much importance as her great structure and mothering ability. That's everything you could ask for in a Longhorn cow. Her daughter, Tumbelina BCB is a 5 year old and has over 90" ttt with an outstanding body. Tumbling Bandita's sire, Bandera Chex, will go down as one of the great bulls
