Dixie Red is one of those cows that you can count on for consistency. She's a full sister to Whistle Me Dixie and shares the same sire as our great cow Cooper's 167 Lamb. She's got a fantastic topline and nice body capacity to grow those calves. Her calves always wean bigger. She will produce offspring that will add value and be a great foundation addition.

Total Horn: 102.2500 on 10/12/2023
