This Ringman daughter has such a presence about her. She produced a gorgeous Justify daughter that the Bolens have to replace her. It's a hard but good find when you come across a Ringman daughter for sale. He sired the longest horn steer, Buckhead BCB 145"ttt, and 7 daughters who measure over 90"ttt. Cat Call is deep, wide and has a large body capacity. Look at her maternal half sisters for the consistency we always talk about. Cat
