Owner: Brent & Cindy Bolen

A really nice heifer out of the great producing Bandera Chex. This heifer has a great pedigree with strong, proven genetics. She's produced two good heifers for us, one we show in Futurities. She has a good hip and lots of red spots popping up. You can see in the photos how her horns are starting their roll, she should have a beautiful set of handlebar horns as she matures. She has a heifer calf at side by Justify born 11/5/2024
