Fifty Katz is out of Katz Meow, a super producer who crossed well with each bull she was put with. The sire of Fifty Katz is none other than the great Fifty-Fifty BCB bull. The first Katz Meow daughter, Ringtail Kat BCB (90"ttt at 5), sold at the Legacy Sale for \$80,000! Another daughter of Katz Meow called Kit Kat BCB has won numerous futurities. This is a producing family and very special.
